KIDZ QUEST & CRECHE INSTRUCTIONS

CRECHE

- ⇒ Creche is designed for babies and children up to 3. Once they're 3, there's a crossover with Kidz Quest, depending upon the child.
 - ⇒ Creche is run in the Kindergarten Managers office which is down the corridor from the main foyer entrance – next to where Kidz Quest is held. Access is through the Kindy Door (Door Code is written on the creche signs).
 - ⇒ **Creche Supervisors need to be set up and ready to welcome parents from 10.15am** so we suggest arriving by 10.00am to set up. If you need more than 15 minutes to set up, please arrive earlier. Once the room is set up please stay in the Creche until the service starts at 10.30am - new parents will sometimes want to check out the creche when they arrive and new people are usually early.
 - ⇒ The creche needs minimal set up – just a few toys and books to get out from our storage area which is accessed from the Kidz Quest area - plus the creche signs on the door in the foyer and on the creche door. These signs are kept with the creche toys. Children are also allowed to use the main outside playground if weather permits (accessed through office door)
 - ⇒ The creche has a TV and speaker that links to the auditorium which need to be turned on – you can also use the TV to watch kids TV on YouTube etc.
 - ◆ When the children are released from the main service (approx. 11.00am) be the first out to creche to welcome parents and children.
 - ◆ Children need to be registered and signed in. This folder is with the creche toys). This is necessary even if the parents stay with their children which is common.
 - ◆ If there are no children - or none are brought through - please stay in creche for 10 minute and you can then head back into the auditorium. Please sit near the back and be ready to come out the Creche parents need your help.
 - ◆ There is a changing table in the disabled toilet by the main toilet area – parents often ask .
- ⇓ After Church - please take all the Creche things back to the storage area and make sure the room is left clean and tidy for our Kindy Manager. If necessary, please do a quick vacuum.

If you need help, ask the main teachers in Kidz Quest (Priscilla, Esther, or Emily) - they'll usually be able to help you out.

KIDZ QUEST

- ⇒ Teachers and helpers need to arrive by 9.30am to help set up - with the KQ space ready to welcome people from 10.15am
 - ⇒ Please pay special attention to new families and their children who are usually early to church.
 - ◆ When the children are released from the main service (approx. 11.00am) be the first out to KQ to welcome children (and any parents who come to settle their kids)
 - ◆ All children need to be registered with full contact details - and then signed in each week.
- ⇓ After church please make sure everything is packed away neatly and the hall is clean for the Kindy to set up and use. It's ideal to vacuum the area and the children are usually willing to help.
