KIDZ QUEST & CRECHE INSTRUCTIONS

CRECHE

Creche is designed for babies and children up to 3. Once they're 3, there's a crossover with Kidz Quest, depending upon the child. Parents are welcome to drop off their children or stay with them. Creche is run in the Kindergarten Staffroom which is accessed from the main Kidz Quest hall.

- ⇒ **Creche Supervisors need to be set up and ready to welcome parents from 10.15am** so we suggest arriving by 10.00am. If you need more than 15 minutes to set up, please arrive earlier. Once the room is set up please stay in the Creche until the service starts at 10.30am - new parents will sometimes want to check out the Creche when they arrive and new people are usually early.
- ⇒ **The Creche needs minimal set up** – just a few toys and books to get out from our storage area which is accessed from the Kidz Quest area - plus the Creche sign which can go on the office door. This sign is kept with the creche toys. Children are also allowed to use the main outside playground if weather permits (accessed through office door)
- ⇒ **You can stay connected to the main service through Zoom.** This is accessed through a laptop connected to the TV. You'll need to set this up yourself but the Zoom Operators in the Main Service are there to help if needed. Please follow these simple instructions to connect to Zoom:
 - ◇ Get the laptop from the BBCC Office
 - ◇ Turn on the laptop (no password) and connect to Zoom using desktop icon (Meeting ID: 853 1360 5681; Password: 012943)
 - ◇ Plug into TV using HDMI Cable from DVD player and select correct HDMI input
 - ◇ Spotlight the Zoom camera you want to see on screen.
 - ◇ After the Service: turn off the TV, reconnect HDMI to DVD player, turn off Laptop and return to BBCC Office.
 - ◇ *You can also use this laptop to watch children videos on YouTube if Zoom is not required.*
- ◆ **When the children are released from the main service (approx. 11.15am) be the first out to Creche to welcome parents and children.**
- ◆ Children need to be registered and signed in. This folder is with the creche toys). This is necessary even if the parents stay with their children which is common.
- ◆ If there are no children - or none are brought through - please stay in creche for 10 minutes and then you can then head back into the auditorium. Please sit near the back and be ready to come out if Creche parents need your help.
- ◆ There is a changing table in the disabled toilet by the main toilet area – parents often ask .
- ⇓ After Church - please take all the Creche things back to the storage area and make sure the room is left clean and tidy for the Kindergarten staff. If necessary, please do a quick vacuum.

KIDZ QUEST

- ⇒ Teachers and helpers need to arrive by 9.30am to help set up - with the KQ space ready to welcome people from 10.15am
- ⇒ Please pay special attention to new families and their children who are usually early to church.
- ◆ When the children are released from the main service (approx. 11.00am) be the first out to KQ to welcome children (and any parents who come to settle their kids)
- ◆ All children need to be registered with full contact details - and then signed in each week.
- ⇓ After church please make sure everything is packed away neatly and the hall is clean for the Kindy to set up and use. It's ideal to vacuum the area and the children are usually willing to help.
